

PAKAWASTE

WASTE HANDLING SYSTEMS

92479

All PAKAWASTE Equipment conforms to the EC machine safety directive (2006/42/EC previously 98/37/EC & amendments)

BIN EQUIPMENT

BIN TIPLER

Primarily designed to lift and tip two or four wheeled trade waste containers, although such units can be specifically designed for use with other containers. These units can vary from a simple hydraulic tippler intended to discharge contents into a below ground conveyor hopper or to a unit designed to tip at a specific height to feed a larger container or hopper.

Benefits

- Tip height can vary from 500 mm to 9000 mm or above
- Available with various power options:
 - fully hydraulic
 - hydraulic and chain
 - electric chain driven
- All container lifting / tipping equipment is designed
- And manufactured to IP65 / CE Standards
