

## **PAKAWASTE LTD – CORONAVIRUS POLICY**

Further to a number of queries that have been received from our clients / customers, we would like to reassure you that Pakawaste Ltd have not been affected by Coronavirus at present. The Company remains open and we shall continue to support our clients / customers and will carry out our scheduled work activities as normal.

The Company has taken guidance from the Government and Public Health England and we will be continuously monitoring and reviewing the situation on a regular basis. All of our employees have been given detailed guidance on the actions they should follow if at any time they experience any symptoms associated with Coronavirus (cough, fever, shortness of breath).

If any of our employees in the workplace present any of the symptoms associated with Coronavirus or have any questions regarding whether they should self-isolate, they have been advised to seek medical advice by going online to <https://111.nhs.uk/>, and if they do not have internet access then call 111.

Signed:

David Hamer - Chief Executive Officer
